Schools Spectacular

Our choir students have had two big days this week rehearsing for the Schools Spectacular on Friday and Saturday night. Students have been arriving at school at 6.30am ready to travel into the city for a full day of rehearsals. Mrs Owens and Mr Walsh said students have been working really hard during the rehearsals and the concert is going to be amazing.

Term 4 Disco

The Term 4 disco is on Friday November 30 and we are looking forward to another fun night for students. As always, the P&C need parents to give up a small amount of time to help run the night. If you can support this fundraising event, please contact the office and the staff will pass on your contact details to Evelyn our disco coordinator.

Light The Way Project

We had lots of students at Lucas Heights Community School this week to participate in lots of challenging hand-on activities in the areas of Science, Technology, Engineering and Mathematics. Students were coding, designing bridges and making mathematical patterns with their Year 9 mentors. LHCS are also running our Literacy Linkages program with our Year 6 students each Thursday afternoon.

Staff

Ms Mills is taking Long Service Leave in Weeks 7 and 8 of this term and will be replaced by Ms Akkawy who will continue with 2M's class program.

Attendance on reports

The attendance cut off date for the Semester 2 reports will be November 30. Any absences after this day will be recorded by the school but will not appear on student reports.

NSW JUNIOR CHESS LEAGUE TOURNAMENT

Congratulations to the Chess team participants from Bangor PS who represented our school at the Primary Schools One-Day Chess Tournament (Sutherland District) held at Miranda PS last week. Nine students participated in three teams of three students over eight rounds of chess against other primary schools from both public school and catholic school sectors. Out of 28 teams Bangor PS's teams came 7th, 22nd and 24th place. On the day Timothy was the highest point scorer for Bangor PS gaining 6.5 points out of a possible 8 points.

Overall, Bangor PS students are to be commended on their effort and sportsmanship throughout the day.

A big thank you to Belinda Stamos and Deepti Nayyar who were able to help with transporting students to and from school on the day.

BOOK FAIR

ANOTHER AWESOME EVENT!! Thank you to our Bangor School Community.

We held our first ever Carnival Book Fair last week and it was extremely well supported by our community. It was fantastic to see so many children getting excited over books! We sold sufficient books, etc to receive around \$2300.00 as cash commission so that we can purchase resources for our school. This will certainly help to boost our library resources. Well done and thank you to everyone who visited the Book Fair and who purchased something. We will purchase resources to support units of work being covered in classrooms and in the library.

We also had a record 94 books kindly donated to our school library! A big thank you to the following people who purchased books to donate to our library. Your donation will be acknowledged with your name in the book and you will be able to borrow the book once it has been accessioned, covered etc. This may take a couple of weeks, so please be patient. Thank you to:

The Book Fair would not have been a success without all of the staff who helped at the Fair. So many teachers gave up their own time to be available for the before and after-school selling times.

All in all, a very successful event!

2018 Eco Club Roundup

The Eco Club has been a busy place in 2018 with students creating various artworks to brighten up the school environment. Unfortunately, due to other school commitments Mr Walsh and Mrs Smok were unable to complete all planned art installations.

We would like to thank all students and parents who have assisted or donated items to the Eco Club this year. We have achieved so much and are very proud of all students who have participated. The way the Year 6 students stepped up and looked after the chickens is a credit to them and their parents/carers.

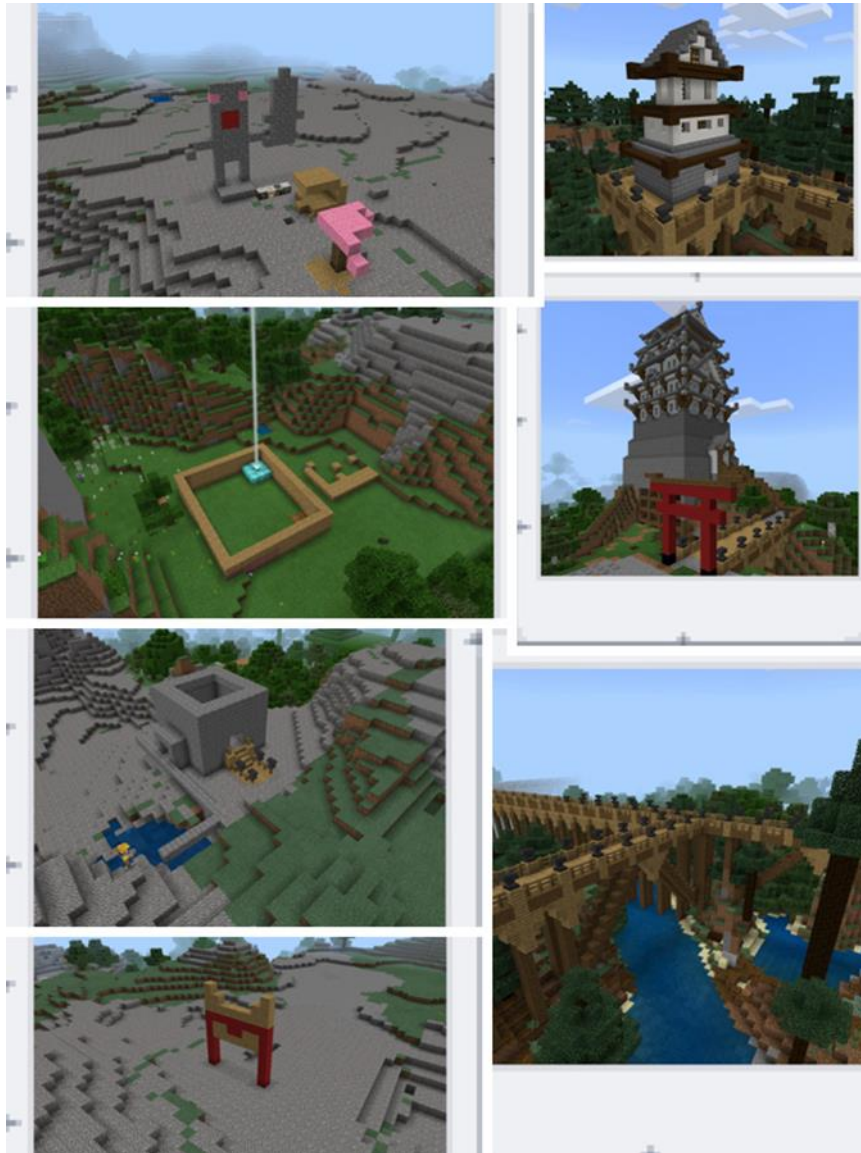

Mr Walsh and Mrs Smok will be taking a break from the Eco Club in 2019. Hopefully another staff member will continue to work together with the very committed Eco Club students who are always keen to work on projects around the school.

John Walsh and Debbie Smok
Eco Club Coordinators

3W were given the opportunity to participate in a Department of Education NSW trial using Minecraft Education Edition. To address the appropriate KLA's it was decided that Mr Walsh would integrate the program into his geography lessons. Students were investigating Japan and Japanese culture. Over the past few weeks most students have been able to participate and contribute to a Japanese themed world. Below are some images from our version of Japan.

2019 CANTEEN ROSTER

We are getting to that time of year where we are going to lose some wonderful volunteers because their children are heading to High School. I am now in the process of organising the roster for canteen volunteers for 2019.

If you are able to spare some time (9:30am to 12:00pm) on a regular basis, or even on a casual basis, your help would be greatly appreciated. Bring a friend or come and meet some other mums, dads or grandparents, from around the school.

Please indicate on the form below which day suits you and I will be as accommodating as possible. If you are a current volunteer and wish to return again next year, please indicate this on the form below as well.
